Also if your statement shows transfers that you did not make, tell us at once. In an addition to what we have already brought to your attention, if you have arranged to have an Automated Teller Machine Card and/or a Debit Card issued to be used in connection with your Account for use with an Automated Teller Machine (ATM) and/or POS services, we would like you to become aware of some of your rights and liabilities that relate to the use of your Card and the terms and conditions governing the issuance and use of a Card.

The issuance and use of a Card in conjunction with ATM and/or POS services on your Account shall be governed by all applicable State and Federal laws, rules, and regulations, the rules, terms, and conditions of the Account as well as the following:

The Card shall remain the property of PARDA. Upon request of PARDA, you will be required to return the Card at any time and without prior notice, PARDA, at its sole discretion, may revoke or cancel the Card and thereby terminate this agreement. You may also terminate this agreement at any time by

returning the Card to PARDA. Termination, whether by you or by PARDA, shall not affect prior transactions or obligations existing at the time of termination.

You will use a Card only in accordance with the instructions given from time to time by PARDA and transactions on any account other than the Account may not be made through the use of a Card.

You will not transfer or negotiate a Card to any third party and you will not appoint or assign anyone in your place and stead as agent, proxy, attorney-in-fact or in any other aspect, for the use of a Card, since a Card is issued solely and exclusively for your use. Further, you agree that PARDA will not accept withdrawal instructions on the Account by any third party.

You shall be entitled to a receipt evidencing each transaction processed through an ATM or POS terminal and, for each month in which there is a transaction on the Account, or quarterly, whichever is more frequent, a statement containing a brief description of each transaction made on the Account. The receipts and statements are both admissible as evidence in any disputes.

When you use a machine not owned by us, you may be charged a fee by the ATM owner above and beyond any fees charged by PARDA Federal Credit Union. You may be charged a fee for a balance inquiry even if you do not complete an electronic funds transaction.

PARDA shall issue you a Personal Identification Number (PIN), which, for security purposes, must be used in order to process any transaction on the account through an ATM or POS terminal. This number is furnished to you in the strictest confidence. You shall be responsible for preserving the security of the PIN. The PIN may not be written on the Card, kept with the Card, or furnished to another person.
